SERIES 40

Size Range:	2.1/2" – 60" (65mm – 1500mm)
Body Style:	Wafer, Lug and Double Flanged Style
Temperature Range:	−20°F to 500°F (−29°C to 260°C)
Pressure Rating:	ASME Class 150, 300 and 600
Shut–Off Class:	Zero Leakage
Body Materials:	Carbon Steel, Stainless Steel, Nickel Aluminum Bronze
Disc Materials:	Stainless Steel, Nickel Aluminum Bronze
Stem Materials:	Stainless Steel, Monel K500
Seat Materials:	Standard – RTFE with Resilient Energizer, PTFE with Resilient Energizer Fire Safe – RTFE and Inconel with Resilient Energizer
Applications:	High Pressure, High Temperature, Critical Service
